If you are no longer going to dual enroll in the spring, let me know because you will need to have another class scheduled at TJ. Do not wait until after the break to let me know you want to dual enroll. It will be too late at that time.

**\*\*I would like all applications turned in to me by December 9<sup>th</sup>**. If you wait until the last minute you may not get the class you want.

**College Applications**

- Make sure colleges have all application materials, including transcripts, ACT/SAT scores, letters of recommendation, and immunization forms. If you are not sure, call the admissions offices to check on the status of your application.
- Just a reminder, transcript request forms are located in office. You must fill this out, \$1 per school, if you need me to send anything to a college. Please do not email requests to me to send documents for you, unless you are requesting me to send something via email.
- If you have not already done so, complete and submit the FAFSA as soon as possible.
- You have until May 1<sup>st</sup> to let colleges know whether you will attend or not.
- **\*Please turn in college and scholarship acceptance letters and offers to me. We can make copies in the office.**
